

**TELECOMMUNICATIONS AND NETWORKING  
CHARGES FOR FISCAL YEAR 2008**

Section A - NEW STATION WIRE AND JACK CHARGES	INSTALLATION (up to 290')
UWP#1 (2-Telephone Jacks)	\$411.00
UWP#3 (1-Telephone Jack)	\$409.00
UWP#6 (2-Telephone Jacks and 1-ISUnet Jack - Category # 6)	\$587.00(A1)
UWP#7 (2-Telephone Jacks and 2-ISUnet Jacks - Category # 6)	\$701.00
DOP#11 (1-ISUnet Jack - Category # 6)	\$547.00
DOP#12 (2-ISUnet Jacks - Category # 6)	\$661.00
DOP#13 (3-ISUnet Jacks - Category #6)	\$797.00
DOP#14 (4-ISUnet Jacks - Category #6)	\$955.00
Adding a data jack to an existing faceplate	Quote
DATA ONLY (More than 4-ISUnet Jacks-Category # 6)	Quote

**Note(A1):** UWP#6 is the Administrative and Residence Hall standard.

Installation of raceway and special drilling of floors and walls will be coordinated by Telecommunications and Networking. The contractor completing this work will bill the dept directly. Overtime charges will be billed if work must be completed at times other than normal working hours due to safety concerns or customer request.

Cat6 data cable (instead of cat5e) will be installed after 7/01/07

UWP#2 (2-Telephone Jacks and 1 IBM Type1) is obsolete and is no longer available.

UWP#4 (2-Telephone Jacks and 1-ISUnet Jack - Category # 5e) is obsolete and not available after 7-1-07

UWP#5 (2-Telephone Jacks and 2-ISUnet Jacks - Category # 5e) is now obsolete and not available after 7-1-07

Section B - ISUnet DATA PORT CHARGES	INSTALLATION	MONTHLY
Ethernet - Data Port Relocation Charge (move active data port to another pre-wired data-ready location)	\$25.00	N/A
Ethernet - Data Port Reactivation Charge (reactivate data port disabled for violation of University Policy)	\$50.00	N/A
Ethernet - 10/100 Mbps Data Port Activation	\$150.00	\$12.00
Ethernet - 1000 Mbps Data Port Activation	\$225.00 (B1)	\$15.00
Wireless - Mobile Computing Wireless Access Point (iSpot)	\$950.00 (B2)	\$50.00

The data port installation charge does not include new wall outlets, new wiring, connector cables or cards for the computer end of the connection.

**Note(B1):** 1000 Mbps Ethernet will only be available where service and cat5e or better wiring is available.

A 10/100 Mbps Ethernet server or special purpose equipment can be converted to 1000 Mbps Ethernet for a \$75.00 installation charge in areas where service and wiring is available.

The data port installation charge does not include new wall outlets, new wiring, connector cables or cards for the computer end of the connection.

**Note(B2):** In-building installation only; shared network service; Telecommunications and Networking owned and managed equipment; no desktops computers permitted on the wireless

Section C - ISUnet SPECIAL CHARGES	INSTALLATION	MONTHLY
Content Switching context (1)	\$3,000.00	\$100.00
Special Event 24 Port Ethernet Switch (5 day minimum & 21 day maximum; not supplied with cables)	\$250 (\$50 per day for 5 days)	\$0.00
Conference Attendee in Residence Halls	\$40.00	N/A
Custom Wireless SSID (requires encryption)	\$250.00	N/A
Special Programming or Consulting Fees	\$50 per hour	N/A

**TELECOMMUNICATIONS AND NETWORKING  
CHARGES FOR FISCAL YEAR 2008**

<b>Section D - TELEPHONE LINE CHARGES</b>	<b>INSTALLATION</b>	<b>MONTHLY</b>
Analog Line (Telephone, FAX, Modem, Hotline)	\$90.00	\$25.50
Analog Line (Student Room)	\$90.00	\$14.00
Analog Line (TTY)	\$55.00	\$25.50
Digital Line (Telephone, Modem, Hotline)	\$55.00	\$25.50
First Appearance of Additional Directory Number (per telephone)	\$55.00	\$25.50
Multiple Appearance of Existing Directory Number (per telephone)	\$25.00	\$0.00
DIID number (ie: a campus phone number for applications such as desktop faxing)	\$5.00	\$1.00
Move active telephone line (analog or digital) to another pre-wired location (per line)	\$25.00	\$0.00
Special Off Campus Service (voice, data, video)	Quote	Quote

<b>Section E - TELEPHONE INSTRUMENT CHARGES</b>	<b>INSTALLATION</b>	<b>MONTHLY</b>
Digital Non-Display Telephone (DBC220, DBC211*, DBC601*) and (DBC631* display)	\$50.00	\$4.00
Digital Display Telephone with Speaker Phone (DBC223, DBC213*, DBC661*, DBC662*)	\$110.00 (E1)	\$10.00
Digital - Add-on Button Module for Digital Display Telephone	\$30.00	\$3.00
Analog - 1 line Desk Telephone	\$17.00	\$4.00
Analog - 1 line Wall Telephone	\$17.00	\$4.00
Analog - 1 line Telephone with built In telephone device for the deaf (TTY)	\$50.00 (E2)	\$4.00
VoIP - 1 line non-speaker telephone (7911G)	\$105.00 (E3)	\$5.00
VoIP - 2 line speaker telephone with large monochrome display (7941G)	\$150.00 (E3)	\$10.00
VoIP - 6 line speaker telephone with large monochrome display (7961G)	\$190.00 (E3)	\$11.00
VoIP - 8 line speaker telephone with large color touch display (7971G)	\$250.00 (E3)	\$12.00
VoIP - add-on button module, 14 line appearances (7914)	\$100.00 (E6)	\$3.00
VoIP - WiFi telephone (7921G)	\$175.00 (E5)	\$10.00
VoIP - conference room speaker telephone (7936)	\$325.00 (E3)	\$15.00
VoIP - software telephone (IPC)	\$75.00 (E4)	\$5.00
VoIP - hardware and software for video telephony	\$90.00 (E7)	\$2.00

VoIP can only be ordered where service is available. Contact Telecommunications and Networking for details.

**Note(E1):** The DBC223 telephone can be equipped with a maximum of 4 additional button modules.

**Note(E2):** No installation charge to convert digital service to TTY Service or TTY Service to digital service to accommodate an employee.

**Note(E3):** Requires an ISUnet jack (STP, cat5e, or cat6).

**Note(E4):** Currently only available for Windows 2000, XP, and Vista.

**Note(E5):** Can only be used where campus wireless network is available.

**Note(E6):** Can install up to 2 sidecars on the 7941, 7961, and 7971. Not supported with 7911.

**Note(E7):** Requires Windows 2000, XP, or Vista. Allows 7911, 7941, 7961, 7971, and softphone to support video telephony.

Special equipment or services not listed here will be quoted on an individual case basis.

\* Indicates discontinued model.

<b>Section F - Enhanced VOICE MAIL</b>	<b>INSTALLATION</b>	<b>MONTHLY</b>
basic voice mail (provided at no cost for all digital phones)	\$0.00 (F1)	\$0.00
enhanced voice mailbox with unified messaging	\$52.00	\$1.00

**Note (F1):** Basic voice mail is provided for with each digital phone set at no additional cost. We do not provide basic voice mail for analog phones because there is no message waiting li
